

## PERSONNEL COMMUNICATIONS RECORDING P-323A

This transcript was automatically produced by an internal Ethics Committee Class-I Reactive Intelligence.

Participants:

- Dr. Elliot Goode | Site-17 Assistant Director of Oversight
- Mary Scherer | Site-17 RAISA Office

[BEGIN LOG]

*(A cell phone rings. Goode picks it up.)*

**Goode:** Hello?

**Mary:** Hi, this is Mary from the records office. I was walking by one of your containment chambers and I kept hearing this noise from one of the SRAs.

**Goode:** A noise?

**Mary:** Yeah, a noise. It was like a *tch tch tch tch*, like something hitting something else. It was coming from one of the anchors... I think it was the one opposite of the hallway.

**Goode:** Did you tell maintenance?

**Mary:** Oh. Sorry, I figured I'd tell you while it was fresh on my mind. I-

**Goode:** Yeah, I'm kind of up to my neck in work right now. So I could go and write up the maintenance ticket myself, but I'd really appreciate if-

**Mary:** Oh, no, it's not a problem at all for me to fill it out. I had no idea you had so much on your plate.

**Goode:** I know, I know. But that's what we have the maintenance tickets for, right? So you don't need to know how much work I have.

**Mary:** Yes, I'm sorry. I'll fill out the ticket.

**Goode:** And don't call me again about this sort of thing.

**Mary:** I won't. I'm sorry.

**Goode:** Alright. Good luck with your noise.

*(The call ends.)*
