

**FOOTAGE RECOVERED FROM SITE-17 CCTV [ HALLWAY, 1ST FLOOR ]**

*(Samir Abdul stands guard at the elevator and stairwell to the lower level of Site-17. Manafort approaches the elevator. Abdul blocks her.)*

Abdul: I don't recognize you.

Manafort: I'm Clara Manafort, the Ethics Committee liaison. We've met before.

Abdul: Ah, Manafort. I didn't recognize you.

*(Abdul does not step aside.)*

Abdul: So then you're the one who keeps getting in the way of our work?

Manafort: ... I wouldn't quite phrase it like that.

Abdul: Except that you are. Even during a crisis, all you and your committee do is slow us down.

*(Abdul takes a step forward. Manafort steps back.)*

Abdul: Let me tell you something about running a site that you can't see from your ivory tower: problems demand action. Not paperwork, not documentation, action. There was a goddamn containment breach and all you cared about was breathing down our necks about your inquiry. Because that's ethics! And now what? Researchers are dead, my security staff is dead, Goode is fucking dead.

Manafort: I- I'm very sorry... but I don't see how that's related to my Ethics Committee work.

Abdul: Then how's this: I'll join your little excursion and I'll show you exactly what the Ethics Committee did.

*(Abdul presses a button on the elevator, staring at Manafort as the elevator rises. The doors open. They both enter.)*

[This is the last known evidence of Clara Manafort. She has been considered missing for 23 days.]
